

# The Mahoning Valley Mustangs

The Mahoning Valley Mustang Club (MVM) is a regional group of the national Mustang Club of America (MCA). Geographically it encompasses a 30-mile radius around Youngstown, Ohio. The local club was officially born in April 1995, when a small group of local Mustang enthusiasts decided that there was enough local interest to form a club. Currently MVM has approximately 100 families on its membership roster, and well over 150 Mustangs.

Although our club is relatively new, our membership is certainly not new to the Mustang hobby. Our members consist of all ages, occupations and backgrounds. From the retired to teenagers, professionals to blue-collar workers, our members all share one thing: the celebration of almost 45 years of Mustang heritage. All makes and models of the Ford Mustang are welcome and encouraged to join. We also encourage our members to join the MCA.

MVM has an impressive array of cars, from the first model year (1964 ½) right up to the latest Mustang produced. Some of the club members' cars have appeared on television and have been featured in national magazines. A great many of our club members routinely win awards at regional and national Mustang shows, as well as general car shows and cruise-ins.

Our monthly meetings are held on the second Sunday of the month at 12:30 in the Canfield Township Hall Canfield, Ohio (although we may change venue periodically). Each member receives a monthly newsletter, **THE STAMPEDE**, which keeps all members informed about our club and its upcoming events. Our low yearly dues of \$25 are supplemented by donations and contributions from a variety of local business sponsors. The club holds and attends various events throughout the year, including cruises, road rallies, car shows, drag racing events, picnics, local sporting events, and other family-oriented activities. During the summer of every year, we hold our annual STAMPEDE show, which helps us contribute big dollars to local charities and has been highly successful.
