

The Mahoning Valley Mustangs

The Mahoning Valley Mustangs Club (MVM) is a regional group of the national Mustang Club of America (MCA). Geographically, it encompasses a 30-mile radius around Youngstown, Ohio. The local club was officially born in April 1995, when a small group of local Mustang enthusiasts decided that there was enough local interest to form a club. Currently, MVM has over 100 families on its membership roster and over 130 Mustangs.

Our members consist of all ages, occupations and backgrounds, from the retired to teenagers, professionals to blue-collar workers, our members all share one thing: the celebration of ALL years of Mustang heritage. We also encourage our members to join the MCA.

MVM has an impressive array of cars, from the first model year (1964 ½), up to the latest Mustang produced. Some of the members' cars have appeared on television and have been featured in national magazines. A great many of our club members routinely win awards at regional and national Mustang shows, as well as general car shows and cruise-ins. We also have members active in sanctioned drag racing and road course racing. We have great technicians who are willing to give advice on projects when needed.

Our monthly meetings are held on the second Sunday of the month at 12:30 in the Canfield Township Hall Canfield, Ohio (although the venue may change periodically). Each member receives a monthly newsletter, [THE STAMPEDE](#), which keeps all members informed about our club and its upcoming events. Our low yearly dues of \$25 are supplemented by donations and contributions from a variety of local business sponsors. The club holds and attends various events throughout the year, including cruises, road rallies, car shows, drag racing events, picnics, local sporting events, and other family-oriented activities.
